

PUBLIC SECTOR

Small Business Agility with Large Business Capability

Enterprise Technology and Business Systems Integrator

M&S Consulting is a privately held Women-Owned, Small, Disadvantaged Business and IT consulting company serving commercial and public sector clients across the United States and internationally.

Since 2002, we've been driven by meaningful and trusted long-term relationships and innovative leadership. We are committed to solving complex problems for evolving businesses and government organizations including federal and state governments, telecommunications, and commercial clients.

How We're Different

We believe successful business solutions are: **Done.Better.Together.**

Our teams are made of:

DOERS

Focused on getting the work done right, on time, and on budget

EXPERTS

Focused experience to lead you through digital transformation

APPROACHABLE

People with a service-minded, agile mentality

What We Do

Our success is driven by combining process and technology while offering a unique depth of expertise, understanding, and leadership in digital transformation solutions.

Our team of over 250 consultants has carved a niche in the industry by seamlessly integrating process and technology.

Leading Digital Transformation

With traditional and modern technology experts, we're uniquely qualified to guide the transition from old to the new.

Traditional

- Originally on-prem
- Monolithic (all-in-one)
- Best-in-suite
- Waterfall
- Manual Processes

Modernization

Our team guides the transition from traditional solutions to modern innovation through documented vision, cultural alignment, staff, and skill upgrades.

Modern

- Cloud Native
- Integrated
- Best-in-breed
- Agile
- Automated (AI, RPA, CI/CD)

CLIENT QUOTE

"M&S was simply extraordinary throughout the project. Their technical expertise was critical to the success of the project. Any task assigned to them was performed quickly and without issue. M&S was highly responsive and very flexible. It's rare to encounter a company with the commitment and dedication they demonstrated. And were this not enough, their good humor and positivity added immeasurably to the team."

Practice Manager
Administrative Technology Services
